Mail service: (INSTRUCTIONS)

Motor Vehicle Department: (ADDRESS)

Trash dumpster for your area (GIVE LOCATION).

Your new home:

The main electrical shutoff for your home is (GIVE LOCATION). Restore service by flipping the circuit breaker switch back and forth once.

The main gas shutoff for your home is (GIVE LOCATION). Shut off the gas by turning the valve 90 degrees, that is, so it crosses the direction of the supply line.

If you smell gas please follow these procedures:

GAS SMELL OUTSIDE THE BUILDING

1. Immediately notify the office at PHONE #
2. **DO NOT** attempt to turn off or correct a leaking gas problem.

GAS SMELL INSIDE A BUILDING

1. **LEAVE THE BUILDING IMMEDIATELY.**
2. Go to the park office or call from a neighbor's house.
3. **DO NOT** turn any electrical switches ON or OFF.

4. **DO NOT** use matches, lighters, or any gas or electrical appliances.
5. **DO NOT** use any telephones or cell phones inside the building. If you are on the phone, do not hang it up and risk an incoming call.
6. **DO NOT** open or close windows or shut the front door.

The main water shutoff for your home is *(GIVE LOCATION)*. You may be able to shut off the water to an individual faucet by turning off the supply valve below the sink or toilet (behind the panels for your tub or shower). If hot water is leaking anywhere, shut off the valve on **the hot water heater located behind the compartment door** *(GIVE LOCATION)*.

Yard care is your responsibility. Your yard is watered with automatic sprinklers. Please check your lawn and tree to make sure they are being watered properly. Report any problems with the watering system to the office. Management arranges for mowing and weedeating in the summer months. You will be billed for this service. The park management will fertilize lawns at the appropriate time. **Please do not use any chemical weed killers in your lot.** In our desert climate, anything left on your lawn, such as kiddy pools or hoses, can kill the grass in an afternoon. Please clear your lawn of any objects during the hot part of the day. *(CUSTOMIZE FOR YOUR SITUATION).*

We are pleased to welcome you as a resident at *(BUSINESS NAME)*. We hope you will enjoy your new home here.
